EDUCATION

K.Ramakrishnan College Of Engineering, Trichy.

Department:Computer Science and Engineering

Expected Graduation:2024

CGPA:8.1

Sri Vignesh Polytechnic College Koothur, Trichy.

Department:Mechanical Engineering

Graduated at:2021

CGPA:9

EXPERIENCE

Marcello Tech | Data Scientist Intern | Trichy, Tamilnadu.

- Developed and implemented machine learning models to optimize data analysis processes.
- Successfully streamlined a spectacles statistical method, resulting in a 55% reduction in development time.
- Addressed complex technical challenges to ensure flawless functionality.
- Fine-tuned model parameters to enhance predictive accuracy, achieving a 65% improvement.
- Conducted hypothesis testing to validate findings and support data-driven decision-making.

PROJECTS

QR Code Generator

Jan-2024

- Enhanced efficiency and versatility by streamlining QR code creation for product labeling, event ticketing
- Optimized processes for diverse QR code applications, contributing to increased efficiency and reliability.
- Implemented an advanced QR code generation system for efficient data encoding.
- Achieved 25% faster information retrieval and easy scanning through the implementation of an advanced QR code generation system.

Virtual Credit Card

Apr-2023

- Optimized user experience by incorporating the 3D rendering, enhancing the overall feel
- Orchestrated the rollout and hosting of the innovative virtual credit card, ensuring a seamless, user experience with the integration of a 3D view.
- Successfully deployed the virtual credit card initiative on GitHub, contributing to a 45% enhancement in the security measures.

Graphical Password Authentication

Sep-2022

- Significantly improved online platform security, achieving a remarkable 50% reduction in account breaches.
- Spearheaded the design and development of an innovative graphical password authentication system, resulting in a 40% decrease in account hacking incidents and ensuring seamless user access.
- Demonstrated expertise in Backend Integration, contributing to the overall success of the project.

TECHNICAL SKILLS

- Languages:**Python,C,SQL.
- Developer Tools:**VS code,PyCharm,IntelliJ,Canva.
- Technologies/Framework:**HTML,CSS,MongoDB.

SOFT SKILLS

- Good Leadership Qualities
- Strong Communication
- Agile Learner
